Arandth Performance Horses on account of M Dixon present for sale

Sir Monty

Hunter type, large galloway with a face and personality that you just can't help but love.

Monty is a Welsh x Quarter Horse gelding 12 years of age approximately 15hh. He has done trail riding and HRCav. In the short time he has been with us at Arandth Performance Horses he has won the hearts of us all. He has wonderful manners on the ground, a temperament that is kind and willing with a sense of fun that makes him a joy to ride and train. He has shown a great aptitude to his work, and has demonstrated that he has considerable talent for dressage, show and combined training. He is training at prelim/novice and happily jumping 65 to 75cm. Although not experienced in the competition arena his movement and positive attitude to his work would indicate that he has the potential to be very competitive with the right rider. He would genuinely suit a capable teenager or adult who is confidently riding at approximately grade 3 level. Although well mannered due to his bright and intelligent personality he would not be suitable for a beginner. Sir Monty is reluctantly offered for sale as his owner who adores him feels that in her maturing years she is not able to do him justice. \$6000,00. Price negotiable but not the home. For more details contact Andrea Williams on 0260 262302, 0412859756 or go to Eques Photography at www.equesphotography.webs.com for more photos and video footage of Sir Monty.
